

We are looking for NARFE members who want to **make a difference!**  
Members who enjoy a challenge, talking to interesting people and  
like to develop a professional relationship with important people.

*We are looking for Congressional District Leaders!*

Congressional District Leader (CDL) is a  
person who will contact the Member of  
Congress in the local Congressional District.

You will be trained by CSFC starting in October 2017 with  
a one day class that will give you the skills and knowledge  
to be a success! Learn how to form a team to help you.

You have access to the latest information on
